Program Profiles

Winneconne Learning Lab – Open Labs – During National Library Week we will introducing our new learning lab – open lab will feature our new learning lab with opportunities for our patrons to experience our new computers. A short demonstration will be offered each day to educate patrons of library services. Topics will include but not limited to placing holds, overdrive downloads & paying fines with debit/credit cards.

Basic Computers – Getting to know your computer! Learn to email, search the internet by using Google and learn to use Microsoft Word. Please call to register.

Paws for Reading – Have your child (grades K-5) spend some time reading to a trained canine friend. Please call the library for your first appointment.

Monday Morning Moms - Stories, fingerplays and activities are shared! This storytime is intended for children ages 3 and younger. Older children are also welcomed.

Preschool Storytime – Stories, fingerplays and activities. Sponsored by Friends of the Library.

After School Movie Feature – Thursday, April 22 – “Astro Boy” Rated PG – A snack will be provided, you may bring a covered drink and a pillow to sit on.
